

Linwood Springs Research Station's Adopt-A-Raptor Program

We are asking for you to help support the banding and research goals of the Linwood Springs Research Station by "adopting" the raptor of your choice. We are inviting all i.e., school groups, bird clubs, scouts, church groups, and individuals to participate in this endeavor to help raise funds for the research station.

Thank you for your generous support!

After the bird of your choice is adopted, you will receive:

A color photo (8x10) certificate with the banding date, age, sex, weight, and the band number of your bird.

I wish to adopt:

Saw-whet Owl \$15 Sharp-shinned Hawk \$20 Barred Owl \$40

Great Horned Owl \$50 Red-shouldered Hawk \$50

The Banding Operation at Linwood Springs Research Station is from September 23rd thru November 10th, but adoptions can be placed at any time.

Suggestions for adoptions include gift ideas for Birthday, Anniversary, Christmas, Retirement, The "Hard to find for" person, Bird lover, etc.

Print Name _____ Name of bird (optional) _____

Address _____

City, State, Zip _____ Size _____ Color _____ \$ _____

e-mail address _____ T-shirt _____
